

Parents and Band Members,

Welcome to the CHS Marching Band! Our band wears different uniforms and requires numerous uniform parts. The charts provided below should help you understand what parts are needed, which are ordered through the band, and those you need to provide by specific dates. This should be a refresher for veterans and planning information for new members.

Different Uniforms

| Raincoats as needed – hopefully not this year! | | |

* Color Guard performs in their Wet Weather Outfit in bad weather and only uses Raincoats in the stands. Color Guard outfits will be announced separately.

* The “C” t-shirt comes in short and long sleeved. It is strongly recommended that band students have two “C” t-shirts because most weekends include a Friday football game and a Saturday competition.

* **IMPORTANT** note about personal clothing items under the white uniform pants: Students typically travel in shorts/sweatpants and change into their uniforms on co-ed buses. Colors can be seen through the white pants. White shorts without logos or designs are required. As the weather turns, it will get cold. UnderArmor-type products have proven to be useful. Again, white is required. When adding shirt layers under the “C” t-shirt, watch the neck line. Some shirt styles have turtle neck cuts that can be seen under the jacket collar and cannot be worn. Finally, bulky pants and shirts under the uniform must be avoided as they can be a problem with its fit.

* Payments are typically due with orders: cash, check payable to “CHS Band Boosters”, or on-line (available soon).

* Parents are welcome to come in for sizings, especially for the varsity wool jackets. More information to follow.

* Used uniform items that are in good condition but are no longer needed (outgrown or graduated wearer’s) can always be donated to the band for someone else to use. Band students are encouraged to check for these items before ordering if they so desire.

If you have any questions or issues we need to address, feel free to contact anyone on the Uniform Committee. Cindy Ebert can be reached at 254-6410 or eftyeah@comcast.net if you’re not sure.

Here’s to a GREAT Band Year!
