

## The Carlisle Area School District and CHS Band Boosters Proudly Present

The Western Frontier – land of mystery, land of opportunity, and land of hope. Join us as our performers head west and explore a newly formed town in the west and experience all that it has to offer.

We start our journey in a young town that has been created by a group of hopeful individuals seeking a better life. As the sun sets on a long day, our weary travelers sit and rest by the campfire and enjoy the grandeur that surrounds them. Shortly after visiting the campfire, we walk into the local saloon where a couple of hot headed locals are fixin' for a duel. As our show comes to an end, our travelers will witness the advent of the railroad to connect the west to the world.

Featured musicians include Casey Wood on trombone and Lily Sweeney on flugelhorn. Students are led onto the field by Zachary Otto and Aidan Piper.

The band is under the direction of Mr. Byron Mikesell, assisted by Dominick Raimato. Music arrangements are by Jonathan Zuniga and Pete Lucero. Visual design and instruction is by Timothy Newlin, Erin Hughes, and Roger Wolf. Color Guard staff includes Dave Wiley, Lizzie Gehman, and Abby Leone. Adolfo Alvarez instructs the honor guard. Percussion instruction is by Dustin Smith, Noah Mariano, Hung Nguyen, Charity Kennedy Bixler, Megan Hupfer, Grayson Whistler, Bryce Doane, and Braden Kronheim.

The band wishes to thank the Carlisle School Board of Directors and School District Administration for the value they place on music in our school and community. We also thank the tireless parents and volunteers of the Carlisle High School Band Boosters for their continued support of our band!
