

The Carlisle Area School District and Carlisle Band Boosters Proudly Present

Since the dawn of time, humans have looked to the stars and wondered. This year's production brings to the field an exciting journey into space. Watch as our performers liftoff, explore the cosmos, get lost in space, and hopefully return home safely to Earth.

Music inspired by:

"Space Oddity" by David Bowie

"The Chairman Dances" by John Adams

"There's No Place Like Home" from *Lost* by Michael Giacchino

"Major Tom" by Peter Schilling

"Vitae Aeternum" by Paul Lovatt-Cooper

Featured musicians include Nick Otto on trumpet, Lily Sweeney on flugelhorn, and vocalists Patience Fetter, Cameron Fritz, Emily Gally, Rob Hanks, Braden Kronheim, Daniel Lewis, Liz McCreary, Jenny Morris, and Chaela Williams. Student directors are Zach Otto and Sarah Ebert.

The band is under the direction of Mr. Byron Mikesell, assisted by Dominick Raimato and Bill George. Music arrangements are by Alison Williams and Brian Stockard.
