

## **Chaperone Duties**

Band season will be here before we know it. Chaperones are needed for home and away football games, band competitions and parades. If you are able to give your time for any of these events, you will not regret it. You will truly enjoy the interaction with the band members as they carry on the winning tradition of the Carlisle High School Marching Band.

Chaperone duties include:

- travel with students to and from events
- arrive at scheduled time in order to help get students in place and accounted for
- sitting in the band section during the 3rd quarter of football games, while the students are getting something to eat to make sure no one goes through the band section
- checking in uniforms after we get back to the school
- taking roll call on bus trips
- be prepared to help the students with last minute malfunctions such as sew on a button or safety pin snaps that break
- assisting the band with getting things on and off the field at competitions

Due to the Carlisle Area School district policy, no young children or non-band students are allowed to travel on the band bus with the chaperones. All chaperones must have current clearances on file with the school district. Clearance information can be found on the band website.

A sign up genius form has been posted on the band website under Chaperones.
